

Dear Friends..... Colleagues Comrades,,,

It is an honor for us to receive your letter condemning the aggressive and barbaric attack committed by Israeli military forces which have targeted children, women, old people and other innocent citizen in Gaza.

We do believe that your brave position and your solidarity with the Palestinian people will have the great influence on us to feel that we are not alone during these hard conditions.

We will continue our efforts to achieve peace to enable our people to live as other in the world.

With our best regards.
