Dear Sisters and brothers!

### **Solidarity with Greek civil servants**

On behalf of Public Services International (PSI), representing more than 20 million women and men in the public sector, I would like to express our support to our Greek affiliate AEDY and your protest against the government's plans to sell off part of the Public Power Corporation (PPC) to private investors.

PSI is deeply concerned about the continued attacks against public services and the austerity measures taken in Greece. We have heard that the Greek government plans to lay off some 6.500 public sector workers by the end of the year, in line with the Troika's demands.

Please convey my support to your members for the one-day nationwide strike on 9<sup>th</sup> July 2014, which will follow the protest rallies that have been organised across the country on 30<sup>th</sup> June.

With best wishes for a successful strike and outcome!

In solidarity,

Rosa PAVANELLI  
PSI General Secretary
