

# UPHOLD OUR DIGNITY

Situation in Sweden

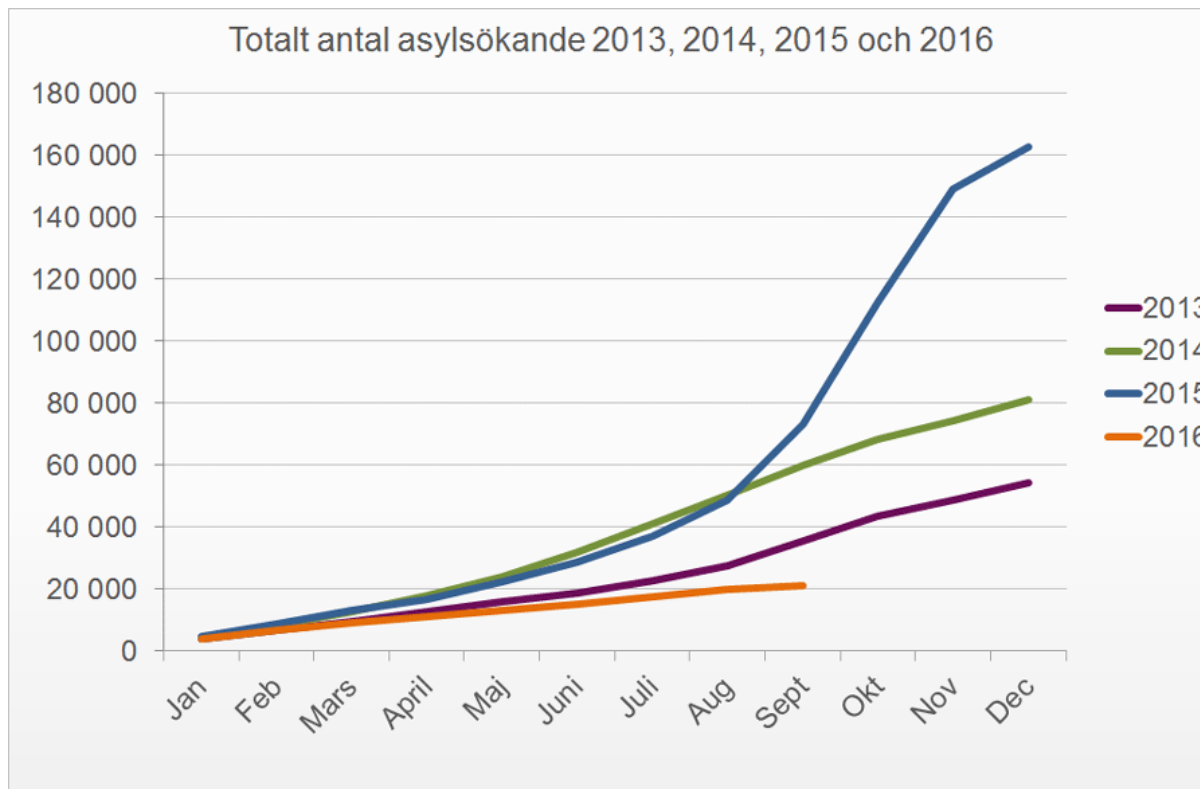

New York September 2016

Akademikerförbundet SSR

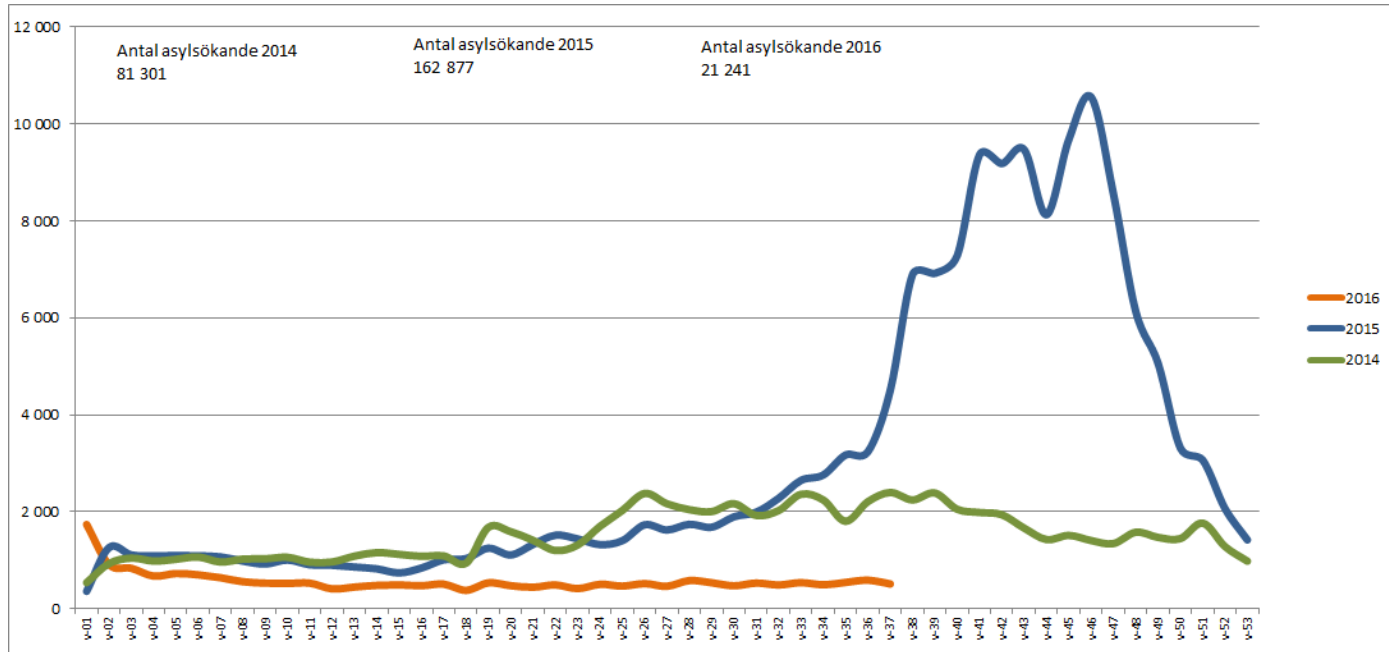

# Total number of asylum seekers to Sweden

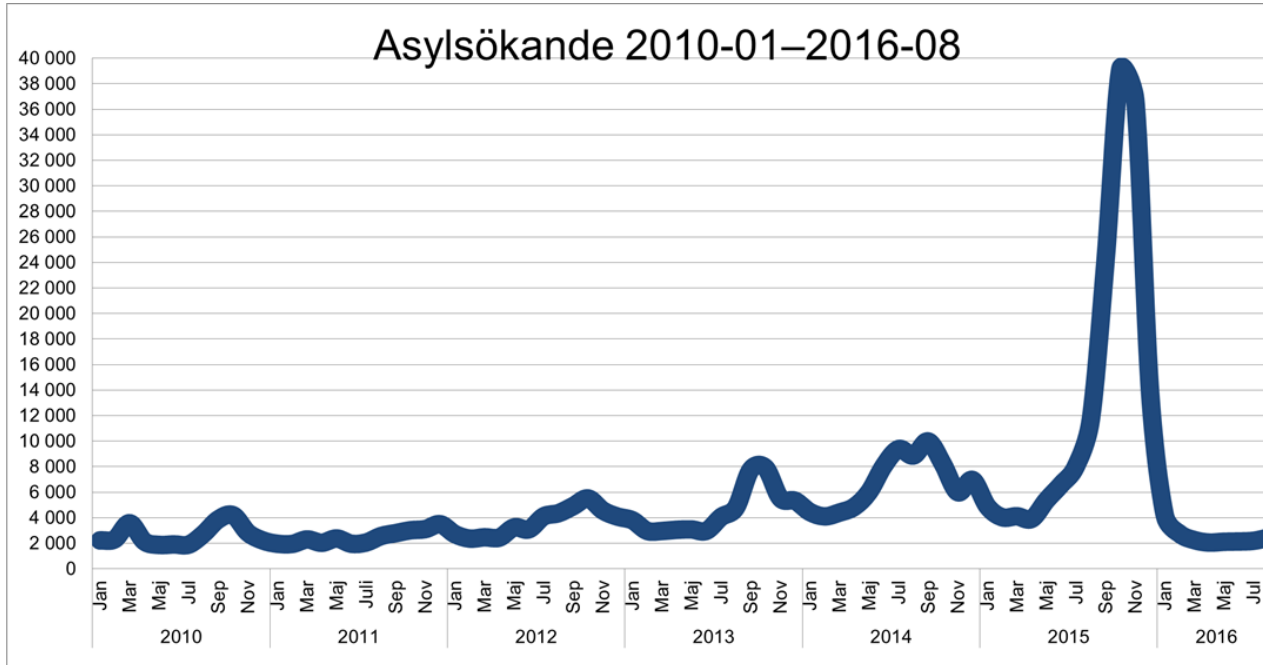

# Asylum seekers per month

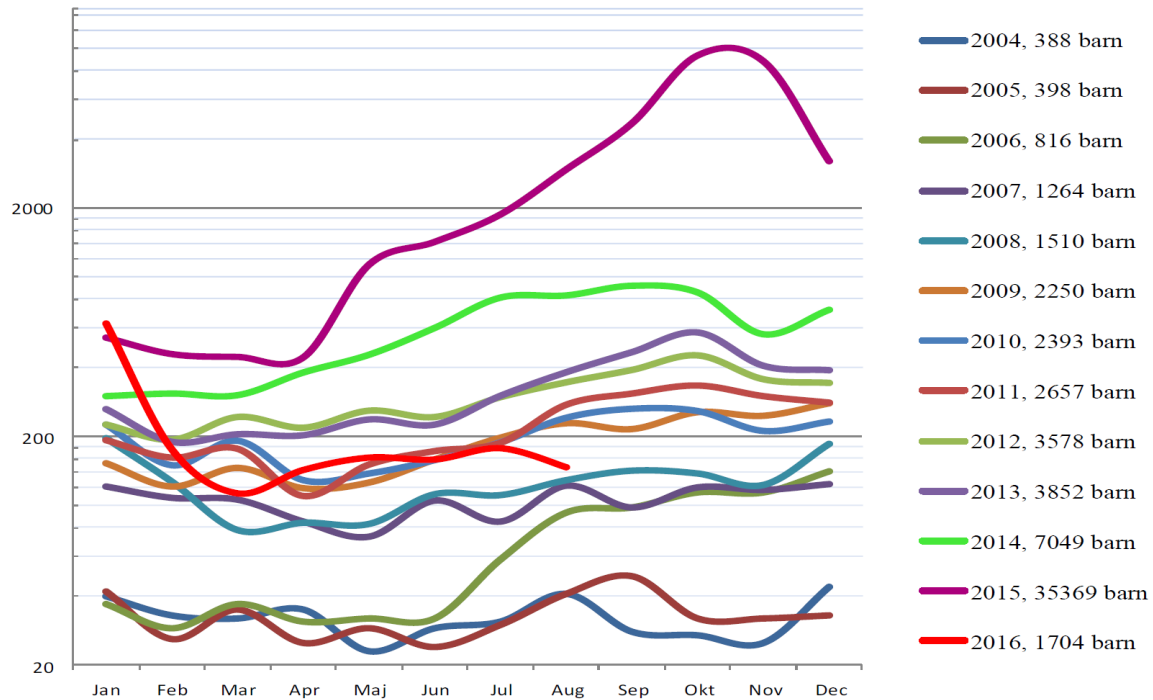

# Asylum seekers 2010-2016

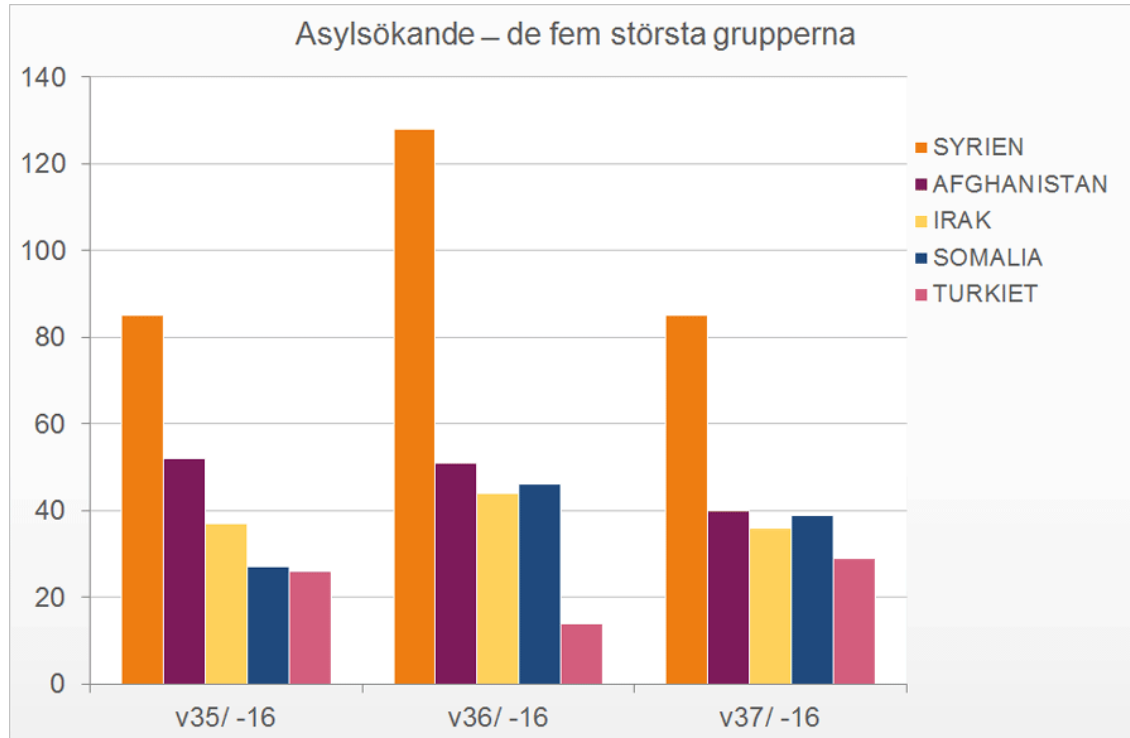

# Unaccompanied children

## Asylum seekers, five biggest nationalities

## New law

- New law adopted early this summer and in place from 20 July 2016.
- Temporary permits
- Limited possibilities for family unification
- Demands to provide financially for family members

# Challenges QPS

- Organising the reception facilities
- Finding beds and housing
- Quality and security
- Employees with the required skills and education
- Finding the right jobs for the migrant

# Organisation the reception facilities

# Finding beds

Akademikerförbundet SSR

# Finding safe beds, privatisation and its impact

# Quality and security

## Trade Union Actions at national.

- Fight racism and xenophobia.
- European march
  
- Take part in tripartite talks
- Lobbying the Government
- Fast track
- Help in recruiting
- Trade Union Centre for Undocumented Migrants

## Gender dimension (women, children and families)

- Not safe for women
- Not safe for children
- End of 2015 and so far 2016 men bring their families.

Akademikerförbundet SSR

## Access of migrants to public services including right to health

- Asylum seekers do have full access to health care.
- Different rules for undocumented. Children have the right, but adults only for “care that cant wait”
