Dear Colleagues,

**DOCUMENTS FOR 13th PSI-ASIA PACIFIC REGIONAL CONFERENCE (APRECON)
AND RELATED ACTIVITIES**

We are pleased to inform you that the documents for the 13th PSI Asia-Pacific Regional Conference (APRECON) and related meetings, taking place in Fukuoka, Japan, from 9 to 12 October 2016 at the ACROS Fukuoka Conference Centre, are now available to download from the PSI website at: www.world-psi.org/APRECON2016. You will find the following documents, most of them exist in English and Japanese only:

1. The final programme for APRECON (9-12/10/2016)
2. The final programme for the Women's seminar and Young Workers' seminar (9/10/2016)
3. The draft programme for the Health Network Meeting and Local Government Municipal and Utilities Network (10/10/2016)

We remind you that you are requested to read them all before the conference, to be aware of the themes which will be discussed during the various sessions and to be able to make your own contribution to the debates.

We encourage you to print and bring your documents to the meetings. We will distribute a USB key containing all the necessary documents to each participant onsite.

We look forward to meeting you all in Fukuoka and having a successful Conference!

With warm regards

Rosa Pavanelli
PSI General Secretary
