You have all received by now the information that the Regional Conference for Africa and Arab Countries (AFRECON) is postponed to 2015. This is why the Regional Office decided to call an extraordinary AFREC meeting. The main objective of this meeting is to assess the situation and reschedule the Conference at a later date.

Titular members are requested to inform us as soon as possible if they are not available to attend the meeting so that we can inform their substitute in due course.

As usual, PSI will take care of the travel expenses, hotel accommodation and lunches of the titular members or substitutes replacing the titular.

We would like to draw your attention to the fact that some of you will need a visa to enter Ghana. If this is your case, please be aware that the visa process can take some time. Do not hesitate to contact us if necessary.

***We also remind you that it is absolutely necessary to carry along with you your vaccination card.***

We are looking forward to seeing you soon.

Regional Secretary
