Practical alternatives to global austerity

Ottawa, ON
June 16 - 17, 2015

In June 2015, some of the brightest progressive minds from around the world will gather in Ottawa, Canada, to discuss the parallel issues of fair taxation, anti-corruption measures (including whistleblower protection) and fair trade.

The goal? Come up with a set of concrete, practical alternatives to the increased privatization and damaging cuts to public services that have been the hallmarks of the global austerity agenda.

Hear from these incredible speakers plus many more:

- **Robert Reich**, former US Secretary of Labour
- **Rick Mercer**, Canadian television host and political satirist
- **Jim Stanford**, Canadian political economist
- **Rosa Pavanelli**, Italian union leader and PSI General Secretary
- **Ögmundur Jónasson**, Icelandic Member of Parliament
- **Ladi Delano**, Nigerian entrepreneur
