Side event to the 11th session of the Conference of State Parties

Using Social Dialogue to Advance the CRPD

13 June 4.45-6PM

UN Headquarters, New York (conference room B)
Captioning and American Sign Language are provided

The purpose of this event is to identify how Social Dialogue is, or could be, used to ensure the implementation of the CRPD. Social Dialogue is closely linked with States Parties Obligation to involve persons with disabilities, but also to access to employment. The event will:

- define the role and the scope of social dialogue in relation to the rights of persons with disabilities;
- identify the key entry points and opportunities to promote the implementation of the CRPD using social dialogue;
- identify challenges that exist for governments and Social Partners;
- issue recommendations on how to ensure that social dialogue becomes a vehicle for advancing the rights of persons with disabilities.
