

**FOUNDATIONAL ACT NETWORK PUBLIC CONTROL WORKERS**  
**JUSTICE TAX AND CUSTOMS**

In the city of Buenos Aires at the 24 days of the month April 2014, between the General Secretary of the Association of Personal Control Organizations Hugo Buisel Quintana and Sergio Hemsani like Responsible of International Affairs, the Employees Union of the National Justice through its General Secretaries Julio Piumato and Ariel Pringles designated as responsible, the Association of Tax Employees and Taxes through its General Secretaries Jorge Burgos and Angel Riguet designated as responsible:

**CONVINCED** that union activity is a strategic tool integration, that through their capacities and strengths, effectively promotes the consolidation of a more just and equal political, economic and social reality, through the union of people and the extension the politics frontiers towards a common future.

**JOINED** the workers in brotherhood by history and a common destiny inalienable to achieve the growth of our nations in peace, with equity, with social inclusion, freedom and social justice, with solidarity and transparency, affirming everyday the democracy in our countries.

**WARNING** that workers of Organizations Public Control, of Justice and Tax Administration and Customs, by the specific characteristics of our technical work professional, we intervene in governments own activities whose results, in case of deviations or irregularities, can be derived in harmful consequences for the State and citizenship, affecting the quality of life of people.

**CONSCIOUS** that our colleagues share the same needs and demands that all workers in the public sector but, also, to ensure proper compliance of our work it is necessary to ensure that develops without pressure or outside influences standards and technical criteria and valid professionals.

**ASPIRING** to be able to fulfill our responsibilities without the regular practice of "kill the messenger" transform workers in the weakest link in the chain, risking their jobs by pretending fully their duties of public officials exercise.

**CONSIDERING** that our work maintains a direct correlation with the level of effectiveness and efficiency proposed by the rationale of our organisms and the institutional role that they must fulfill in order to strengthen the democratic system.

**SHARING** the need to value our work front the whole society and warning about all pressure and harassment so intended to exercise by the objective characteristics of our function.
