AGENDA

14:30 Welcome and introduction by Peter Waldorff, Chair of the Council of Global Unions

14:45 Reflections on the 2011 GFMD's Civil Society Days

The Global Unions and their affiliated organisations took part in the Civil Society Days (CSD) of the five Global Forums on Migration and Development that were organized since 2007. This point of the agenda will take stock of what trade unions have achieved through their participation.

15:30 Defining a trade union strategy towards 2013

The 2013 UN High Level Dialogue on Migration and Development will decide on the future of the GFMD. Trade unions want the global discussion on migration to be placed within the normative framework of the UN system. This point of the agenda will analyse possible trade union strategies toward the 2013 HLD.
