The ILO building located 4, route des Morillons, has several entrances. Participants to the Global Labour Trade Summit are requested to enter the building via Porte 4 - R2 Sud (Access Gate 4 - R2 South), which leads off the delegates parking P1, and not via the main entrance:

- From the bus stop please follow the route highlighted in green on the above map.
- You will need to cross to the far side of the covered parking and enter the building through the glass door marked Porte 4 - R2 Sud.
- ILO security staff at this entrance will check if you are on the PSI participants list and give you a 2-day ILO pass, which we would ask to please return at the end of the meeting.

PSI staff will be present at this entrance to provide help if needed.
